

HOW TO ORDER YOUR ENTREE

1. PICK YOUR DISH

Many of our dishes can be customized to fit your diet, flavor, or pleasure

2. PICK YOUR MEAT

We offer both meat and non-meat versions of many of our dishes to suit your preference *

3. CHOOSE YOUR HEAT

In Thailand, hot & spicy may be the norm, but we can make it anyway you want it **

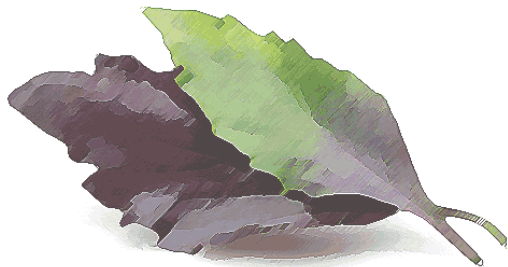

* You can add extra meat or vegetables to your dish. See menu for prices.

** Choose your level of heat from 0 to 5. Dishes that feature 🌶️ require a minimum heat of 1.

HEAT VS. SPICY

Spicy dishes contain strong, flavorful herbs and spices - they don't have to have heat.

Heat refers to the type and amount of hot peppers used in the dish.
